Dear Interested Parents of IB:

Thank you for showing interest in the IB program. Lecanto High School and Citrus County Schools are excited to have the opportunity to explore and possibly bring IB to our county. If you have questions at any time, please ask.

Our purpose tonight is twofold: to give prospective students and parents information about IB and for us, LHS, to get an idea of who is interested. By the end of the night, we hope that you have a basic understanding of the IB philosophy and curriculum; we also hope to have the names, phone numbers, and emails of those who are interested so that we can contact you periodically to give you updates. Our agenda tonight is as follows:

1. Introductions – IB Article
2. Review of the LHS IB Quick Reference Sheet
3. Lecanto High School Timeline / Basic Hexagon of IB Learning
4. Selection of teachers and classes
5. IB Booster Club
6. Exchange/Collection of information

If you have any future questions or need to contact us, please email Mr. Darrick Buettner, IB Coordinator Designate, at buettnerd@citrus.k12.fl.us or phone him at 352-746-2334.

Before you leave, please fill out the contact forms. We would like to know your name, your son's / daughter's name, an email for you and an email for your son/daughter, and a phone number for you. Finally, please read the information from International Baccalaureate below. We are required to include it and notify you of it.

Thank you for attending tonight.

Mr. Kelly Tyler
Principal Lecanto High School

(Lecanto High School) is a candidate school for the (Diploma Programme). This school is pursuing authorization as an IB World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Lecanto High School believes is important for our students.*

Only schools authorized by the International Baccalaureate Organization (IBO) as IB World Schools can offer any of its three academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), or the Diploma Programme.

Candidate status gives no guarantee that authorization will be granted. For further information about the IBO and its programmes, visit <http://www.ibo.org>.
